

## Chicken & Spinach Cannelloni

One of the most popular Cuckoo's baked pasta, the Chicken Cannelloni are made with fresh chicken breast, organic spinach and lots of Mozzarella cheese. This recipe is very popular in all Italian regions and you can experience it with different variations, from Milan to Florence, to Rome...each one hand rolled and drenched in creamy pomodoro sauce. Cut each Cannelloni in half to create four tasty appetizer sides. Please keep refrigerated until ready to heat. This portion serves one full meal or two side orders.

Replace the lid with aluminum foil, place in the oven pre-heated at 375 degrees for 25 minutes or until it has reached the internal temperature of 160 degrees.
